

Certified Naturally Grown  
Grower Declaration for 2009

Farm Name: Flavel Fungus Farm

Please initial each statement that applies to you:

- I (we) declare and affirm that the information submitted via the Certified Naturally Grown application is correct and accurate, and that I will keep all information current, complete and up to date to reflect any changes.
- I have read and understood the Certified Naturally Grown Certification Standards and our growing methods adhere to the requirements listed therein.
- I understand that Certified Naturally Grown reserves the right to remove us from the program and deny us the use of the logo and marketing materials for any reason including concerns that we have violated listed growing practices or have missing or misleading information on the application.
- I declare and affirm that I will only represent produce and/or meat products as Certified Naturally Grown when they actually meet the certification standards and were produced on land that has been, and is, Certified Naturally Grown.
- I declare and affirm that all the land for which we are applying for Certified Naturally Grown status has been free of prohibited pesticides, herbicides and fertilizers for at least three years (36 months) from the date of our first saleable harvest this year.
- OR
- We have applied for TRANSITIONAL STATUS. We don't use any prohibited pesticides, herbicides and fertilizers now, but we are still within the 36 month transitional period.
