Apiary Location/s Hina 10 St. Pahoa, HI
Inspector Paul Sykes
Inspector Affiliation/s (club ~~and~~ or apiary) Tully Winters Antonette
Inspection Date 10/16/2017 Total Inspection Time: 2 hours

To the best of my abilities and based on my observations and interview with the beekeeper/s, I feel confident in making the following declarations about the apiary/ies the above beekeeper wants to have listed as Certified Naturally Grown:

The beekeeper is careful to make sure that no prohibited insecticides, herbicides, fungicides, chemical fertilizer, or genetically modified crops are used on the land where the apiary is located. Agree / Disagree PS
(True/False)

The hives are located in an area/s with abundant and diverse pollen and nectar sources that are adequate to support the health of the apiary's bee population. Agree / Disagree B
(True/False)

The beekeeper refrains from the use of synthetic in-hive treatments. Agree / Disagree B
(True/False)

The beekeeper refrains from overaggressive harvesting of honey and excessive feeding of sugar. Agree / Disagree B
(True/False)

The beekeeper refrains from overaggressive harvesting of pollen and propolis – the bees' food and medicine. Agree / Disagree B
(True/False)

The beekeeper demonstrates a commitment to sustainable practices that seek to protect and improve the health of the honey bee population. Agree / Disagree B
(True/False)

I certify that to the best of my abilities, observations, and based on my personal interview with the beekeeper/s, I feel confident in recommending that the above listed beekeeper/s and their apiary be included not be included (please circle one)

in the Certified Naturally Grown program.
