Farmer/s: Laura Pettigone Farm name: Green Eyed Lady

Inspector: Monica Dunlop Affiliation (farm name, extension...): MG Well Co

Inspector is a: CNG Farmer Farmer using natural practices Cert Organic Farmer
 Extension Agent Sust Ag Educator Master Gardener Customer (1 of 3)

Date of the inspection: April 12 2018 How long did the inspection last?: 2 hours

Based on my observations and interview with the producer(s), I feel confident in making the following declarations about the operation:

The producer engages in sustainable agricultural practices that promote the long-term fertility of soils and conserve water resources on their farm. Agree / Disagree MD
(Your initials)

The farmer demonstrates a commitment to the protection of the air, soils, waters, and biodiversity of the surrounding land. Agree / Disagree MD
(Your initials)

I saw no evidence that prohibited insecticides, herbicides, fungicides, or chemical fertilizers were in use on the farm. Agree / Disagree MD
(Your initials)

The land under consideration looks to be surrounded by an adequate buffer to protect from chemical spray drift contamination. Agree / Disagree MD
(Your initials)

The farmer is careful to make sure that no genetically modified or chemically treated seeds are used on this acreage. Agree / Disagree MD
(Your initials)

I feel confident in recommending that the above listed producer(s) and their farm...

be included

not be included

...in the Certified Naturally Grown program.

As a CNG farmer I'm committed to continually enhancing my farm's sustainability. During the next twelve months I will... install drainage tile in places Monica suggested, establish a wind break on Westside of garden, + I will start a compost of horse manure + grass clippings to use on my wind break which will consist of plant material for zone + such requirements
