

Based on my observations and interview with the producer(s), I feel confident in making the following declarations about the operation:

The producer engages in sustainable agricultural practices that promote the long-term fertility of soils and conserve water resources on their farm.

Agree / Disagree CS
(Your initials)

The farmer demonstrates a commitment to the protection of the air, soils, waters, and biodiversity of the surrounding land.

Agree / Disagree CS
(Your initials)

I saw no evidence that prohibited insecticides, herbicides, fungicides, or chemical fertilizers were in use on the farm.

Agree / Disagree CS
(Your initials)

The land under consideration looks to be surrounded by an adequate buffer to protect from chemical spray drift contamination.

Agree / Disagree CS
(Your initials)

The farmer is careful to make sure that no genetically modified or chemically treated seeds are used on this acreage.

Agree / Disagree CS
(Your initials)

I feel confident in recommending that the above listed producer(s) and their farm...

be included

not be included

...in the Certified Naturally Grown program.
